TRAINING CHAMPIONS OF TOMORROW

WINFIELD RACING SCHOOL HISTORY

A HERITAGE.

Iconic and historic. Since 1964, we have trained over 30 F1 drivers, including world champions Alain Prost (4 titles) and Damon Hill (1 title), as well as numerous winners in motorsport.

A PASSION.

The passion for racing. We leverage our expertise and experience in motorsport to detect drivers' talents and support them to focus on their ultimate goal. We also share this passion through exclusive and tailor-made single-seater driving experiences, from F4 to F1, for individuals and corporations.

A VISION.

To detect tomorrow's champions. Like the two latest winners of our Trophée Winfield, Théo Pourchaire and Isack Hadjar, that are both racing in Formula 2, or drivers such as Doriane Pin, competing in the LMP2 category at the 24 Hours of Le Mans.
